Sunday is always a perfect day for me. The best part about Sundays is that I get to sleep late because I hate to be active on weekends. It starts at 10 a.m. with a big breakfast. After breakfast, I usually take a book and go for a walk in the nearest park. My dog Jack walks with me. I sit and read a book for a few hours, and Jack has a nice long run. Then both Jack and me, go home to have lunch with a family. In the afternoon, dad usually takes us for a long drive in the country. As for the evenings we do a lot of interesting things together like watching films or playing different board games. Sometimes I think it is sad that Sunday only comes once a week.
