Учебная тетрадь к дополнительной общеобразовательной общеразвивающей программе естественнонаучного направления по обучению английскому языку «Английский для каждого» разработана для учащихся первого года обучения и является вспомогательным и увлекательным материалом для работы. Яркие красочные картинки позволяют детям эффективнее запоминать изученную лексику. Кроме самоконтроля, тетрадь используется для различных игр и отработки лексических единиц. По каждой представленной теме разработаны дидактические карточки (с точно такими же картинками, что и в тетради), с помощью которых и вводится лексика.
